Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

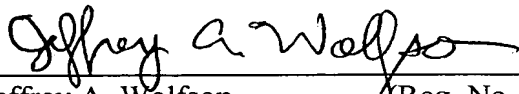

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.97 and 1.98, enclosed is a Form PTO-1449 which lists six (6) references in reverse chronological order, copies of which are enclosed for the Examiner's convenience. In addition, U.S. Patent No. 4,963,527 (Reference AB) belongs to the same patent family as one of the European patents (Reference AE), and the U.S. patent can thus serve as an English-language abstract for that foreign reference.

It is respectfully requested that these references be made of record in this application by the Examiner's completion and return of Form PTO-1449.

No fee is believed to be due for this submission. Should any fee be required, however, please charge such fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,

Date: February 13, 2001
